SEPT—OCT 2010 EDITION

SPECIAL GUEST & WORKSHOP SEPT 12 & 13, 2010

On Sunday September 12 Dale Allen Hoffman will offer the 11am Sunday Celebration Service message titled **“Truth is a Direct Experience”**.

Sunday afternoon from 1pm to 4pm he is presenting **The Aramaic Healing Circle with Sacred Water Healing Ceremony**. The Aramaic Healing Circle is “a profound fusion of meditation, conscious breath work, ancient Aramaic teachings, vocal intonations and practices to nurture awareness and cultivate deep release.”

On Monday evening, September 13th from 7 to 9pm, he will be offering a workshop entitled **“Home in Emptiness: Living Yeshua’s Original Aramaic Be-Attitudes”**. Both the Aramaic Healing Circle and the Monday evening workshop will be offered for a \$25 Love Offering, though no one will be turned away for a lack of money.

Dale Allen Hoffman is a 15-year teacher of spiritual insights from the ancient Aramaic teachings, language and culture of Yeshua, more commonly recognized by his westernized name of Jesus. He is a featured writer and guest for numerous publications and radio programs and is the Director of the international Aramaic Healing Circle.

He travels internationally sharing the rich spiritual wisdom which he feels has been *“veiled beneath almost two millennia of misunderstandings, skewed translations, intentional manipulation and a general lack of spiritual perception.”* His enormously popular workshops are often standing room only through little more than word of mouth promotion from previous attendees.

Mr. Hoffman has published numerous Compact Disc audio programs including “Aramaic Yeshua: Realization of the Christ Within”, “Home in Emptiness: Yeshua’s Original Aramaic Be-Attitudes” and “A Being Divided Against Itself” and “The Lord’s Prayer: A Unitive Vision”. Dale’s first book, “Awakening Heaven: Seven Sacred Lights of Aramaic Yeshua” will be published in 2011.

Manifest the Life of Your Dreams
*by Combining Quantum Field Technol-
ogy with Tapping on Acupuncture
Points*

**Rewire your brain for Health,
Happiness and Prosperity and
remove blocks to your growth
by "tapping" on acupuncture
points with your fingers
(Emotional Freedom Tech-
nique). Learn to create mira-
cles with your Mind by con-
tacting the Quantum Field!**

**Dr Garland Landrith is a
cutting-edge Quantum
Field Psychologist/Healer
whose research was cited
in "What the Bleep".**

**In his pioneering published re-
search studies, Dr. Landrith
found that what groups of in-
dividuals think (group medita-
tion) could actually improve
the quality of life in the city
they live in, by lowering
crimes, auto accidents, and
suicides.**

**His research scientifically
demonstrates that if we medi-
tate or do our inner work, we
can make this world a better
place. In short we can Create
Miracles with our Mind!**

**Register for the workshop by

office.**

From Rob's Desk...

"Ask and it shall be given to you; seek, and you shall find; knock, and it shall be opened to you. For whoever asks, receives: and he who seeks, finds; and to him who knocks, the door is opened."

Matt. 7:7-8

This passage from Matthew is a great mystical Truth. The Uni-verse in which we live is wonder-fully, and sometimes strangely ac-commodating.

Because we are all unique expressions of the Infinite, because we are all part of this accommodat-ing Universe, we are learning that asking is the same as to receiving, seeking is actually finding, and knocking is the opening of the door to all the "treasures of the King-dom."

In the religion *about* Jesus, there has evolved the concept that it is a Christian duty to be poor and that poverty is a virtue. And like many thoughts that no longer serve us we hold onto this one.

(Continued from page 2)

This has been a socially accepted concept that wealth and possessions are somehow the evidence of sin and corruption. We know that this thinking is not the Truth of us and in this moment we choose to put it behind us.

This is not at all what Jesus taught. He deals not with the grace of lack or poverty, but with the grace of abundance. When you study and begin to understand His teachings and you must reach the conclusion that He is not saying, "It is a sin to be rich." Rather, He strongly implies that it is a error in thinking to be poor. He indicates that if you are experiencing lack, you are not accepting yourself in the fullness of your own unique relationship with the Infinite. The error in thinking is "not to know your own divinity."

As a part of our Sunday Celebration we say the words, "I have within me the all creating power of the Christ." And yet we choose, for whatever reasons (all good of course), not to express that part of our nature the demonstrates abundance.

Perhaps it's because we think that the Bank of the Universe is closed. It's NOT! And as proof, here's a check...

In Oneness,

Rob

PS Remember, set aside old out dated thinking that no longer serves you and put in an amount with more than enough to share and spare! See you in church.
